## **Happy Birthday Catholic Church!**

### **Pentecost Sunday.**

Happy birthday to the Catholic Church! Happy birthday to you, who are the body of the Church! We're all familiar with our own birthdays, and we celebrate them because they mark the day of the year in which we entered into this life. But did you know you have a second birthday? Because you are part of the body of the Church, Pentecost is the Church's birthday, and yours as well. And like any birthday, it's a cause for celebration. The word Pentecost is Greek and it means "50th day." Fifty days after Easter Sunday, we celebrate the coming of the Holy Spirit upon the Apostles and their followers, and the beginning of their earthly ministry to make disciples of all nations. At Pentecost, the Apostles and their followers were gathered in a room. At this time, a great wind blew and a flame appeared as a tongue of fire, which split itself into many individual flames above the heads of all those present. The Holy Spirit came upon these people and each began to speak in tongues.

Despite the fact many had no common language, they were perfectly able to understand one another. Others who were not so blessed, accused those speaking in tongues of being drunk, but Peter arose and addressed the crowd, explaining that it was only 9 o'clock, and that this phenomenon was not intoxication, but rather this was the work of the Holy Spirit, prophesized in the scripture. Peter then called all those present to be baptized and about three thousand people were baptized that day. These people were among the first Catholics, and Peter is the first pope of the Catholic Church. The symbols of Pentecost are the flame, wind, and the dove, which represents the Holy Spirit. The color of Pentecost is red and the priest wears red vestments on this day. Parishioners are also invited to wear red on this day. Red decorations as well as celebrations are appropriate, similar to any other birthday. Special prayers are often said just for Pentecost.
