#### Why World Mission Sunday?

##### Pope Francis: Message for World Mission Day 2017

Once again this year, **World Mission Day gathers us around** the person of **Jesus**, "the very first and greatest evangelizer" (Paul VI, *Evangelii Nuntiandi*, 7), **who continually sends us forth** to proclaim the Gospel of the love of God the Father in the power of the Holy Spirit. This Day invites us to **reflect anew on the mission at the heart of the Christian faith. The Church is missionary by nature; otherwise, she would no longer be the Church of Christ**, but one group among many others that soon end up serving their purpose and passing away. So it is important to **ask ourselves certain questions about our Christian identity and our responsibility** as believers in a world marked by confusion, disappointment and frustration, and torn by numerous fratricidal wars that unjustly target the innocent. What is the basis of our mission? What is the heart of our mission? What are the essential approaches we need to take in carrying out our mission?

**Mission and the transformative power of the Gospel of Christ, the Way, the Truth and the Life.** The Church's mission, directed to all men and women of good will, is based on the transformative power of the Gospel.

**Mission and the kairos of Christ.** Through the mission of the Church, Jesus Christ himself continues to evangelize and act... Through the Church, Christ continues his mission as the Good Samaritan, caring for the bleeding wounds of humanity, and as Good Shepherd, constantly seeking out those who wander along winding paths that lead nowhere.

**Mission inspires a spirituality of constant exodus, pilgrimage, and exile.** The Church's mission is enlivened by a spirituality of constant exodus. We are challenged "to go forth from our own comfort zone in order to reach all the peripheries in need of the light of the Gospel."

**Young people, the hope of mission.** Young people are the hope of mission. They seek ways to put themselves with courage and enthusiasm at the service of humanity.

**The service of the Pontifical Mission Societies.** The Pontifical Mission Societies are a precious means of **awakening** in every Christian community a **desire to reach beyond its own confines and security in order to proclaim the Gospel** to all. **World Mission Day**, promoted by the Society of the Propagation of the Faith, **is a good opportunity for enabling the missionary heart of Christian communities to join in prayer, testimony of life and communion of goods, in responding to the vast and pressing needs of evangelization.**

**Carrying out our mission with Mary, Mother of Evangelization.** Let us draw inspiration from Mary, Mother of Evangelization.

#### Get FORMED — Catholic Social Teaching

##### *Building a Civilization of Love*

Did you know that hospitals are a creation of the Catholic Church? This is just one example of the Church's effort to follow Jesus' example and teaching to love one another as he has loved us. **Helping us face the challenges of modern society, the Church provides consistent principles in her social teaching.** This body of teachings begins with one's encounter with Christ and life of virtue and in the recognition of God's gifts in one's own life and gratitude for them. It is first realized in serving those closest to us: our own families and those with whom we work, and then in the larger society. Lessons 9 and 10 of *Symbolon—The Catholic Faith Explained* provides an introduction to the social doctrine of the Church, rooted in God's love for man. This teaching encompasses both teachings regarding life issues and social justice issues. While often separated politically, these are "both justice issues; they're both about human beings...we want to create a society where people have the best chance and the opportunity to be everything God wants them to be." **Understanding the Church's social teaching helps us see how we can follow God's call to protect and promote the dignity of the human person in all places and circumstances.** *Available in English and Spanish.*
