Do we need new carpet?

Some have wondered if we really need new carpet. There are **two issues:** 1) the professional assessment is that the carpet is worn and that cleaning will not restore it to a dignified condition. 2) 20+ years of dampness has resulted in mold under the back half of the carpet, and the wooden floors need to be refinished and sealed, requiring removal of the carpet. Thanks to generous donations, we have currently raised \$6,475 toward the total need of \$16,000. Please prayerfully consider a generous gift according to your personal finances. Every gift helps us move closer to our goal of having new carpet installed in the church by Easter. When you make your donation, please indicate "carpet fund."

Celebrating the Saints

In 1597, St. Paul Miki and companions were martyred in Nagasaki, Japan. Paul Miki was a Jesuit brother and is the best known of these martyrs. While on a cross, he said, "The only reason for my being killed is that I have taught the doctrine of Christ...I thank God it is for this reason I die." Missionaries were banned from Japan in the early 1600s, as was the practice of Christianity. Nevertheless, when missionaries returned to Japan in the 1860s, they found thousands of Christians living around Nagasaki who had secretly preserved the faith. Pope Francis said, "**The 'hidden Christians' of Japan remind us that the work of fostering the life of the Church and of evangelizing require the full and active participation of the lay faithful. Their mission is twofold: to engage in the life of the parish and local Church, and to permeate the social order with their Christian witness.**"
