Celebrating the Liturgical Year: Re-entering Ordinary Time

Christmas Time and Easter Time highlight the central mysteries of the Paschal Mystery, namely, the incarnation, death on the cross, resurrection, and ascension of Jesus Christ, and the descent of the Holy Spirit at Pentecost. The Sundays and weeks of **Ordinary Time**, on the other hand, **take us through the life of Christ. This is the time of conversion. This is living the life of Christ. Ordinary Time is a time for growth and maturation, a time in which the mystery of Christ is called to penetrate ever more deeply** into history until all things are finally caught up in Christ.

Get FORMED

Everyone wants to be happy, but not everyone is. Are there things that you can do to be happier? Are there different levels of happiness? What happens when suffering enters life? Can you be happy while suffering? **Happiness** is a FORMED series that addresses these questions. Psychiatrist, celebrities, New Testament scholars, physicists, and priests all contribute to the examination of happiness, unhappiness and depression, suffering, the Resurrection of Christ, and eternal life.

Summertime –Family Time

While busy in its own way, summer is often a time when the schedule is a little more flexible and when families get to spend more time together. **It is a great time for the family to grow in faith together.** Here are a few ideas:

- Go to daily Mass as a family.
- Visit a shrine or go on a pilgrimage (to the Grotto or Mt. Angel, or even the Cathedral).
- Pray the Rosary (or a decade of the Rosary) as a family.
- Do a family service project — help a neighbor in need or gather food for the Parish food cupboard.
- Invite another family over and watch one of the movies on FORMED.
- Go to confession as a family.
- Build a backyard Grotto for Our Lady.
- Take a minute to drop into Church and make a visit to the Blessed Sacrament.
