### Altar Servers

This is a ministry closely connected to liturgy. The altar servers help the priest in all liturgical functions. They are an essential part of the liturgy, especially the Eucharist. They help in the smooth performance of liturgy and help everyone to pray and worship better. Their role in liturgy is indispensable. Any child who has received first Holy Communion is eligible to be an altar server. Altar servers come 15 minutes prior to Mass, vest themselves with altar server robes, light the candles and join for prayer before Mass.

It is not hard to be an altar server. We do have regular training for altar servers. Parents, please encourage your children to serve at the altar. Help children to do their share of service to the Church. Everyone who serves at the altar should be properly disposed to things of God and their conduct at the altar should be proper to the sacred liturgical action helping the congregation to focus and participate better. Please leave your name with Fr. Saji or the parish office if you would like to be an altar server.
