The Year of St. Joseph

December 8, 2020—December 8, 2021

On December 8, 2020, Pope Francis declared a special Year of St. Joseph to run through December 8, 2021. This marks the 150th anniversary of the declaration of St. Joseph as Patron of the Universal Church by Pope Pius IX. Pope Francis began the year with a new Apostolic Letter entitled *Patris Corde* (With a Father's Heart). The Holy Father reflected that Covid-19 "has helped us see more clearly the importance of

ordinary people who, though far from the limelight exercise patience and offer hope every day." St. Joseph is the epitome of the quiet, ordinary person moving behind the scenes – and yet he shapes all of human history with his quiet guidance, protection, holiness, and acceptance of God's will. St. Joseph, pray for us!

Pope Francis Reflections

-Indifference harms-

“Personal dignity and interpersonal relationships are what constitute us as human beings whom God willed to create in his own image and likeness. As creatures endowed with inalienable dignity, we are related to all our brothers and sisters, for whom we are responsible and with whom we act in solidarity. Lacking this relationship, we would be less human. We see, then, how indifference represents a menace to the human family.”

— Pope Francis

Reflection:

Where do you see indifference harming the human family today? What can you do to recognize the dignity of each person you encounter today and treat him or her as a beloved member of your family?
