Year of St. Joseph

February | Prayerful & Contemplative

Pillar of Family Life; Light of Patriarchs

Joseph is the light of patriarchs because he is the most sublime of all fathers. To him was given the privilege of being the father and pillar within the Holy Family of Jesus, Mary and Joseph. He was a secure anchor, a point of reference, a sure sign, a directing arrow, a beacon of light. All this – because as the greatest of all fathers, he was a man of deep prayer and contemplation. Openness and sensitivity to God’s Spirit comes only with prolonged fidelity to prayer. How else could his actions speak “fiat” following angelic visits in dreams? How else heard God’s voice in angel messages? How else to trust that he, a simple carpenter, could raise a King? His actions reveal his strong relationship with God. The foundation of Joseph’s life was prayer and, as on a rock, he built his family on prayer – daily prayer at home and prayer in the synagogue. His life of prayer enabled Joseph to let the paternal light of God shine through his own fatherhood, and to be a steadfast support and guide for Mary and Jesus. Joseph teaches us that God is the source of all we need. In God we find strength for our responsibilities. In God we stand firm in our vocation. In God we discover light when we lose our way. From God, and by the example of Joseph, we learn how to be a chaste husband, a loving wife, a good son or daughter, a compassionate brother or sister, a faithful friend... Saint Joseph, show us how to make our homes and our hearts places where prayer has a “home.”

Pope Francis Reflections

-The backbone of all service-

“Spirituality is the backbone of all service in the Church and in the Christian life. It is what nourishes all our activity, sustaining and protecting it from human frailty and daily temptation. ... Humanity is what makes us different from machines and robots which feel nothing and are never moved. Once we find it hard to weep seriously or to laugh heartily – these are just two signs – we have begun our decline and the process of turning from ‘humans’ into something else. Humanity is knowing how to show tenderness and fidelity and courtesy to all (cf. Phil 4:5).

— Pope Francis

Reflection:

*How do allow spirituality to nourish you on a regular basis?
Do you find it hard to show your humanity by weeping seriously or laughing heartily?*
