Anyone in the Parish is free to add the names of female loved ones who have passed on, and they will be remembered at the Memorial Mass.

It's a beautiful opportunity to have your loved ones prayed for at the Mass by Fr. Noby, and all the ladies of the Parish.

Benediction will be taking place after all Masses this weekend.

Why Does a Priest Wear a Humeral Veil during Benediction?

During Eucharistic Benediction, the priest puts on a special cloth veil that covers his shoulders and hands. He then approaches the altar and gently takes the monstrance, which holds the consecrated host, and turns to the people to give them a blessing in the sign of the cross.

Priests and deacons customarily give blessings at the conclusion of a liturgical function, but this blessing is different. The veil they wear signifies the **exact source of the blessing.**

The humeral veil is worn during Eucharistic Benediction by the priest to signify that **it is not the priest who is blessing the people, but Jesus Christ Himself, truly present under the appearance of bread.** The priest "conceals himself" with the veil, and directs everyone's attention to Jesus.

The tradition of the humeral veil is a beautiful one and is a great reminder of Jesus' presence in the Eucharist. He is the one who blesses us at Benediction.
