Lead us to the Cross.....Lent 2024

Fasting guidelines for Catholics on Ash Wednesday and Lenten Fridays.

Catholics age 14 and older do not eat meat on Ash Wednesday and all Fridays during Lent, including Good Friday. Instead of meat, many Catholics choose to eat fish-which is why many parishes around the country have fish fries on Fridays during Lent. These are a great opportunity for a parish community to come together to pray and fast.

On Ash Wednesday and Good Friday, Catholics age 18-59 also limit the amount of food they eat. Only one full meal, and two smaller meals that together do not equal a full meal, are eaten. The best rule of thumb is to make sure your meals are smaller than what you would eat on a normal day-and to avoid snacks. Exemption is allowed for pregnant women and those who need regular meals for medical reasons.

You may have heard the words "fasting" and "abstinence" used when talking about Lent. "Fasting" is the word used when the amount of food eaten is limited. "Abstinence" is when you completely give something up, like meat, for a set period of time. Both "fasting" and "abstinence" play a role during Lent.
