*Blessing of the Animals
Friday October 4th*

Friday October 4th, we celebrate the Feast of St. Francis of Assisi. The connection between Francis and animals is well known by most of us. Many have heard the lovely story of St. Francis preaching to the birds in the air (who he said paid better attention than most people). For others, the story of Francis taming the wolf is dear to them as they reflect on his love for all creatures. It is said that he and his friars allowed a donkey to take their place in a small hovel they were using as shelter! To honor St. Francis and to remind ourselves of our roles as guardians of the earth and all living creatures, Father will be Blessing the Animals this Friday the 4th at 6.00 pm!

Bring your pets—big and small—to the lawn of the church. There, they will receive a blessing along with a sprinkling of holy water! We will thank God for allowing us to share the earth with all creatures. What a beautiful way to acknowledge the beauty of God's creatures and the part they play in our lives.
