### ~ History ~

## The Holy See

Rome is said to have been the Holy See since A.D.

42. But in reality it was considerably later than that.

Initially, the center of the Christian church was
Jerusalem. When Christianity became the state
religion of the Roman Empire the center of the
religion was Byzantium (present day Istanbul).

Rome was an outpost. The early history of Catholicism is the same as early history of Christianity.

# What is the Meaning of "Epiphany"?

Epiphany means "appearance or manifestation." Throughout the world, Christians celebrate it on January 6 - 12 days after Christmas Day. Many countries refer to it as "Three Kings Day." On this day, Western Christianity recognizes Christ's manifestation to the Gentiles. The Gentiles were represented when The Magi visited the child Jesus and showed how God's gift of the Good News is for everyone. Eastern Christianity observes Jesus' baptism on this day. His baptism revealed his identity to mankind. Epiphany celebrates God revealing himself to the world in the East or the West.
