**St. Francis DeSales 2025
Cathedral Conservation
Collection**

Have you been to St. Francis de Sales Cathedral in Baker?

If you have, then you know how beautiful this historic church is and how blessed we are to call it our Mother Church. If you have not been there-the Cathedral, built in 1906, is located in Baker City. Although parishioners and visitors from afar have enjoyed its quiet grace for over 100 years, it was the local parishioners who have watched over its welfare.

Today, we kick-off our Cathedral Conservation Collection across the diocese to support our mother church, St. Francis de Sales Cathedral. I encourage you to prayerfully consider your support of its essential needs ensuring its legacy for another 100 years. Please pick up today's bulletin that includes more information and please drop off your donation (in this yellow envelope) in next week's collection basket. We also ask that you make your checks payable to our parish so that we can send in one check to the Diocese at the end of this collection. I pray that you share my enthusiasm in conserving our historic Cathedral.
